From 2010 Honours Degree level will be the minimum requirement for conferring professional status for Youth Work in England. In this regard, completion of a DipHE or FD programme for students matriculating after April 2010 for courses that begin in September 2010 will not confer professional status. The currently running to completion foundation and diplomas are still listed but not recruiting.

The professional validation of courses in Northern Ireland and the Irish Republic, is undertaken by the Youth Council for Northern Ireland. www.ycni.org.

The JNC recognition of courses in Wales is coordinated by the ETS Wales Advisory Committee at the Welsh Assembly Government. For further information contact Liz Rose, Youth Work Strategy Branch, Welsh Assembly Government. 01443 663 814. E-mail: ywsmailbox@wales.gsi.gov.uk.

The qualifications obtained by graduates of professionally validated programmes in Northern Ireland, the Republic of Ireland and Wales are all recognised by the JNC, and entitle the graduates to work in England. In Scotland, the minimum qualification for professionally qualified status is a degree. Programmes of study leading to professional status are validated by CLD Standards Council for Scotland. www.cldstandardscouncil.org.uk. Traditionally these Scottish qualifications have entitled the graduate to professionally qualified status at the discretion of the individual employer.
